

**PRODUCT DESCRIPTION**

Winner of the 2020 Red Dot Award, the iCorona from ET2 integrates the most advanced LED technology with thoughtful design. Encased inside a dual Matte White ring is a color changing light engine. Adjust the color, brightness, and set routines for wellness and security while at home or away. All of these features are made more convenient with Friends of Hue, which places these control functions in the palm of your hand or by command from your voice when paired with compatible Smart Home devices.
