

## PRODUCT DESCRIPTION

\*max overall height

As if naturally formed from the ebbing shores of a riverbed, smooth and irregularly shaped crystal pebbles are suspended by cast metal clasps in a Polished Gold finish. Discreetly illuminated by concealed LED light sources within the clasps, additional downlight originates from LED GU10 lamps housed in a Matte Black canopy adding to the refracting iridescent shimmer on the crystal surface below. Available in multiple configurations of pendants as well as sconce options.
