

PRODUCT DESCRIPTION

Within the void of clear glass, a white cylindrical tube of LED light extends in two directions. The evenly distributed light source can be adjusted to 5 selectable color temperatures, from warm 2700k to a cool 5000K and neutral white light sources in between. Available in three finish options: matte Black, Natural Aged Brass, and Polished Chrome, these sconces are great for use in bathrooms and along corridors with extensions less than 4 inches for ADA compliance.
