

PRODUCT DESCRIPTION

Balancing work and play, the Wimbeldon collection is a fun collection of lighting fixtures that utilizes dual-layered sound dampening felt shades that enhance the acoustics of a space. The deep ridged pattern gracefully intersects elevating the simple forms. Choose from linear or half dome configurations in various colors: Dark Grey and Light Cream felts offer more neutral tones while the Olive exterior with Black felt interior presents a more colorful option. Housed within the shades are high powered LED modules that provide ample functional down lighting.
