

### **PRODUCT DESCRIPTION**

An update to our popular Line series, the Line 5CCT uses a wider profile of aluminum with adjustable color temperatures. Simply toggle between the 5 settings: 2700-3000-3500-4000-500K to suit the space where it is installed. Following the original design's premise, the Line is a straight and flat bar that indirectly casts light indirectly on the surface behind it.
