PRODUCT DESCRIPTION

Surrounded by a metal drum shade in a variety of sizes and finishes, an internal shade constructed of acrylic evenly diffuses bright LED illumination. Designed for simpler installation and in an aesthetically pleasing silhouette, these practical metal drum shades are offered in Matte White both inside and out, or enhanced by gold or black interiors for reduced glare and stylish design. The series also features a chic Black with Gold interior color combination shade. To round out the collection, all these color options are also made compatible with a pendant accessory that quickly converts the flush mount fixtures into drum shade pendants.
